Current Concepts in Orbital Disease
on **Saturday, February 22, 2014** to be held at:
**Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA (Auditorium -- 8th Floor)**

**Robert B. Penne, MD and Jurij R. Bilyk, MD**
*Program Chairs*

**Course Description:**
This conference will detail the diagnosis, imaging, and management of common orbital disease. The conference will utilize a didactic lecture format with question and answer sessions and case presentations.

**At the conclusion of this conference, participants should be able to:**
- Recognize, diagnose and understand the treatment of select orbital entities
- Apply into practice tools and techniques to treat orbital trauma is varying patient populations

**Wills Eye Hospital Faculty:**

Edward H. Bedrossian, MD
Jacqueline R. Carrasco, MD
Scott M. Goldstein, MD
Thaddeus S. Nowinski, MD

**Accreditation Statement:**
The Wills Eye Hospital is accredited by the ACCME to provide continuing medical education for physicians.

The Wills Eye Hospital designates this live educational activity for a maximum of 3.0 *AMA PRA Category 1 Credits*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Full disclosure policy:**
All faculty participating in continuing medical education programs sponsored by Wills Eye Hospital are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure will be made at the program.
