Multi-Specialty Approach to Ocular and Periocular Trauma
Saturday, February 11, 2017 to be held at:
Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA  (Auditorium -- 8th Floor)

Robert B. Penne, MD & Jurij R. Bilyk, MD
Program Chairs

Course Description:
This update is designed to provide the comprehensive ophthalmologist and other health care professionals with the current options for the diagnosis and management of ocular and periocular trauma.

At the conclusion of this conference, participants should be able to:
• Integrate into practice the basis for diagnosing and treating ocular and periocular trauma
• Recognize the potential for injury to the eye as part of facial trauma

Wills Eye Hospital Faculty

Elizabeth A. Dale, MD
Adam DeBusk, DO
Sunir J. Garg, MD
Joseph N. Giacometti, MD
Kammi B. Gunton, MD
Anna P. Murchison, MD
Irving M. Raber, MD

Accreditation Statement:
The Wills Eye Hospital is accredited by the ACCME to provide continuing medical education for physicians.

The Wills Eye Hospital designates this live educational activity for a maximum of 3.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Full disclosure policy:
All faculty participating in continuing medical education programs sponsored by Wills Eye Hospital are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure will be made at the program.

If you have any questions, please contact the Wills Eye Hospital Department of CME at 215.440.3169 or continuingeducation@willseye.org
Multi-Specialty Approach to Ocular and Periocular Trauma
Saturday, February 11, 2017
