

**Glaucoma Update:  
Opinions on MIGS from Different Angles**

on **Saturday, April 7, 2018** to be held at:

*Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA (Auditorium -- 8<sup>th</sup> Floor)*

**Michael J. Pro, MD** - *Program Chair*

**Course Description:**

The Glaucoma Update will discuss the latest advancements in Minimally Invasive Glaucoma Surgery (MIGS). In a compare and contrast format, the faculty will discuss several options available for MIGS procedures. The talks will be designed to provide the participants with the information they will need to make an informed decision when choosing a course of treatment for their patients.

**At the conclusion of this conference, participants should be able to:**

- Review and assess various MIGS procedures and techniques
- Apply newer surgical procedures in glaucoma patient care
- Learn how to manage complex glaucoma cases in the office and refer when appropriate
