

**Ophthalmology for the Pediatrician, Primary Care Physician
& Allied Health Professional**

Saturday, January 12, 2019 to be held at:

Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA (Auditorium – 8th Floor)

Registration and Continental Breakfast: 7:30 am, Meeting: 8:00 am - 12:00 pm

Bruce M. Schnall, MD
Program Chair

Course Description:

This course is designed to update the pediatrician, primary care family physician, and allied health professional on common ocular problems in the pediatric age group. Emphasis will be on techniques for vision screening to diagnose amblyopia and strabismus. Participants will be given hands-on instruction on the proper use of the ophthalmoscope when performing eye exams. Diagnosis and treatment of common eye disorders in children will also be discussed.

At the conclusion of the course, participants should be able to:

- Determine the cause of red eye in a child based upon history and clinical examination
- Demonstrate an improved ability to recognize and treat conjunctivitis in children
- Detect amblyopia and strabismus in children with vision screening at the appropriate age

Wills Eye Hospital Faculty

Jenina Capasso, MS, LCGC
Caroline DeBenedictis, MD
Kammi B. Gunton, MD
Judith B. Lavrich, MD

Nidhi Rana, MS, OD, FAAO
Bruce M. Schnall, MD
Melanie Snitzer, MSW, LSW, ACSW
Barry N. Wasserman, MD

Accreditation Statement:

The Wills Eye Hospital is accredited by the ACCME to provide continuing medical education for physicians.

The Wills Eye Hospital designates this live educational activity for a maximum of 3.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Full disclosure policy:

All faculty participating in continuing medical education programs sponsored by Wills Eye Hospital are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure will be made at the program.
