

## **An Overview of Biologic Therapy in Ophthalmology**

**Saturday, February 9, 2019** to be held at:

*Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA (Auditorium -- 8<sup>th</sup> Floor)*

**Jurij R. Bilyk, MD & Robert B. Penne, MD**

*Program Chairs*

### **Course Description:**

This update is designed to provide comprehensive ophthalmologists and other health care professionals with a multi-disciplinary approach for the use of biologic therapies in treating various ocular and periocular disorders.

### **At the conclusion of this conference, participants should be able to:**

- Describe the basic mechanisms of biologic and other targeted therapies.
- Assess the efficacy of biologic therapies in treating various ocular disorders
- Review best practices in the use of biologic therapy for specific ocular and periocular disorders.

### **Wills Eye Hospital Faculty**

Jurij R. Bilyk, MD  
James P. Dunn, MD  
Sara E Lally, MD  
Sonia Mehta, MD

Mark L. Moster, MD  
Ann P. Murchison, MD, MPH  
Robert B. Penne, MD

### **Accreditation Statement:**

The Wills Eye Hospital is accredited by the ACCME to provide continuing medical education for physicians.

The Wills Eye Hospital designates this live educational activity for a maximum of 3.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Full disclosure policy:**

All faculty participating in continuing medical education programs sponsored by Wills Eye Hospital are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure will be made at the program.

**If you have any questions, please contact the Wills Eye Hospital Department of CME at 215.440.3169 or [continuingeducation@willseye.org](mailto:continuingeducation@willseye.org)**
