

## **Uveitis Update: A Practical Approach to the Diagnosis and Management of Uveitis**

*Featuring the P. Kenneth Nase Memorial Lecture*

**Saturday, March 30, 2019**

*Wills Eye Hospital, 840 Walnut Street, Philadelphia, PA (Auditorium – 8<sup>th</sup> Floor)*

**J.P. Dunn, MD & Sonia Mehta, MD**  
Program Chairs

### **Course Description:**

Uveitis is the fifth-leading cause of blindness worldwide and occurs in all age groups, including children and working-age adults, with the potential for years of vision loss. Diagnosis and proper classification of the type of uveitis and the appropriate use of ocular and systemic therapy are keys to reducing the potential for vision loss.

### **At the conclusion of this conference, participants should be able to:**

- Describe the various types of uveitis and their causes
- Properly diagnose uveitis and develop appropriate treatment plans
- Assess the impact of cataract surgery in patients with uveitis
- Apply in practice standards of care for uveitis

### **Guest Faculty**

**Douglas A. Jabs, MD, MBA**

Professor of Ophthalmology, Professor of Medicine  
Director, Mount Sinai New York Eye and Ear Infirmary Eye and Vision Research Institute  
Icahn School of Medicine at Mount Sinai

Adjunct Professor of Epidemiology  
The Johns Hopkins University  
Bloomberg School of Public Health  
***P. Kenneth Nase Memorial Lecturer***

### **Wills Eye Hospital Faculty**

J.P. Dunn, MD  
Sonia Mehta, MD
