

## WILLS EYE ON DIABETES DAY

At Wills Eye Hospital  
Saturday, April 29th, 2023  
8AM - 1PM

# FREE Diabetic Eye Screening

## Do you have Diabetes?

Diabetic eye disease is the #1 cause of blindness among working age Americans and vision loss is preventable with EARLY detection and new treatments. Diabetic eye disease may have no visual symptoms so an annual diabetic eye exam is important regardless of how well one can see.

**By appointment  
only!**
